REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Waterloo Elementary continues to be a “Beacon for the Community.” Our school lights the way for increased success for our teachers, students, parents, and community throughout the year.

The teachers continue to use the analysis of MAP data, Best Practices strategies, and differentiated instruction to help students reach their goals. This year, a math/science coach worked with teachers to plan and implement hands-on lessons. Waterloo Elementary finished SCRI training in literacy, but the literacy coach will continue to provide support to teachers and students. The media center sponsored various literacy initiatives (literacy parade, Read across America, storyteller, Reading on the Green, Books and Breakfast, Warm Up with Reading, etc.) to involve everyone in reading. Opportunities for students to receive free books for their home library were held throughout the year. Writing across the curriculum was emphasized this year, and Thinking Maps training has helped teachers provide visual clues for writers.

The community was an integral part of our school. Groups from the community sponsored events (Easter Egg Hunt, after school program, career day, fire prevention, etc.) for students and their families. Parents were involved in our volunteer program, SIC, and PTO. Donations from parents and businesses are always appreciated. A computer class for adults was offered through Lifelong Learning.

Character education continued to be a focus. Programs (Pro Kids show, Yellow Dino, Hospice grief counseling, etc.) for parents and children were available. Kiwanis Terrific Kids were chosen each month. Celebrations were held for attendance and improvement in academics. Ronald McDonald visited with a character message for all.

Waterloo Elementary strives to educate the “whole” child, providing engaging lessons and promoting good citizenship. Parents may choose traditional or Montessori education for their children. Whether it is traditional or Montessori, we know one day each of our students will be a “Beacon for the Community” in which they live.
